ASTRAEA GIN

A MYTH IN THE MAKING

THE PACIFIC NORTHWEST IS BOTH OUR HOME AND OUR MUSE. WE MAKE GINS THAT CELEBRATE THE FLORA OF OUR REGION, DISTILLED TO CAPTURE THE ESSENCE OF EACH WILD BOTANICAL. ALTHOUGH MADE IN THE TRADITION OF LONDON DRY, ASTRAEA WAS FORGED WHERE THE EVERGREENS GIVE WAY TO THE ROLLING MEADOWS, WHERE THE JAGGED MOUNTAIN RANGES DROP INTO THE SEA. MEET US HERE, WHEREVER YOU ARE.

OCEAN

OCEAN EMBODIES THE CLARITY OF THE PACIFIC OCEAN. ON THE NOSE IT GIVES A CLEAN BRININESS THAT TRANSLATES TO A FULL MOUTHFEEL WITH A WARM, LINGERING FINISH OF JUNIPER, CASSIA, AND SALT.

45%
ABV

700
ML

TASTING NOTES:

BRINY ON THE NOSE, COASTAL VEGETATION
JUNIPER FORWARD

HELLO

Astraea Spirits was founded by Danielle Leavell, MSc. Danielle is one of a handful of women in the US to hold the designation of Master Distiller. Danielle graduated from the prestigious Heriott-Watt Brewing and Distilling program in Edinburgh, Scotland. Astraea Spirits is a woman-owned and operated distillery in Seattle, WA.
